Participants who violate the rules and guidelines described here, or/and submit incorrect data for their registration are automatically declined (no compensation will be paid).

#### Art. 11 Protests

Protests have to be placed in written form to the Vespa Club Austria latest one hour after notice of the placements. A protest fee of 100,00 Euro will be collected. The board of the Vespa Club Austria will decide over the protests autonomously. If the protest is declined the fee will not be paid back. The protest at an official court is not possible.

#### Art. 12 Liability

Only legally licensed and insured vehicles can be admitted to this event (have a look to Art. 2).

Each participant is driving and competing at his/her own risk!

The Vespa Club Austria and the Vespa Club Wien disclaim liability of drivers, pillion riders and third parties, for personal injury, damage of property and financial loss, before, during and after the event.

With nomination/registration the participant accepts the rules and guidelines for this event and exempts the Vespa Club Austria, the Vespa Club Wien and the Vespa World Club from liability.

The participant must comply with the Austrian Law (Österreichische Straßenverkehrsordnung (STVO)) in its current version.

Examples: Driver and pillion rider of motorcycles or scooters must wear legal helmets, no driving with high beams, no honking in buildup areas.

The use of protection wear is mandatory.

#### Art. 13 Acceptance of this rules

a) The participant explicitly accepts the rules, guidelines and conditions without reservations stated in this document.

b) All transmitted personal data are treated carefully and not be passed to third parties except for the purpose of insurance and / or of any prescribed official notification of each person participating in the extent strictly necessary.

The Vespa Club Austria is using the personal data for the registration, organization and the statistical analysis. The national Vespaclub is authorized to get access to the data of the individual clubs of their nation. For the organization of this event, necessary data will be forwarded to the organizing club by Vespa Club Austria. In no case, personal data will be forwarded to third parties outside of the Vespa World Club organization and the organizational committee of this event and its review.

c) The organizer is obligated to protect the personal data of the participants from unauthorized access and to delete and destroy the data after the event.

d) Persons who are not members of World Vespa Club associated Club, and who are registered for this event, explicitly state that the given personal data is correct and is submitted voluntarily. Those persons explicitly accept following statement:

„I explicitly accept, and I agree, that all transmitted personal data can be used, stored and analyzed for registration, organizational and statistical purpose by the Vespa World Club and by the Vespa Club Austria. The Vespa Club Austria is authorized to decide about the registration including declining a registration to the event, and is authorized to forward the reasons and supporting data to the organizer and the Vespa World Club (including the national associated Vespa Clubs).

This agreement includes, in particular to collect, to store and to use the personal data for review after the event.“
